Date: 24.07.2015

Greetings for the day !!!

We are pleased to introduce *HCL Talent Care, in association with VTU Centralized Placement Cell*, a new skill development and staffing venture from the HCL Group of companies. HCL TalentCare aims to enable fresh engineering graduates to launch successful careers in Information Technology through its unique skill and staff business model. Towards this objective, *HCL is Visiting our campus* for the YOUNG ENGINEERS' PROGRAM (YEP) at HCL Talent Care.

Reporting Time: 8:30 AM

Date of Drive: 30.Sept.2015

Venue: Jyothy Institute of Technology

YOUNG ENGINEERS' PROGRAM (YEP)

The Young Engineers' Program (YEP) is a 6 month, full time, residential career development program which addresses critical skills required for desired transformation from student to a best-in-class professional, enabling the learner to launch *careers in Application Development, Software Testing and Networking & Infrastructure Management*. In the past year, *over 500 engineering graduates* have *successfully completed* the program and launched their careers at globally recognized Technology companies through HCL TalentCare.

YEP consists of a 3 month on-campus learning module and a 3 month on-job training module. The campus module is conducted at HCL world-class learning center at **Hyderabad** and consists of classroom training, practice labs, assessments, counseling support and industry participation in the curriculum. On completion of the campus module, learners are deployed into live roles for On-Job Training for a period of 3 months where they have an opportunity to translate their skills into action in a real workplace environment. During this time, the learner is also expected to successfully pass a range of external certification exams from recognized technology certification bodies. The learner is paid a stipend during the On-Job Training period of the program. YEP is a paid program with a fee of **Rs.1,50,000** to attend – we enable loans for candidates as needed.

On successful completion of the entire program, the YEP Scholar receives -

1. *Assured Placement* in a job with HCL Talent Care and deployment into projects across a variety of global Technology companies at locations across India at an attractive salary and benefits package.
2. A bundle of *industry recognized, premium certifications* for technical, professional and communication skills (For example, ISTQB, RHCSA, CCNA, MCSA)
3. An HCL TalentCare Alumni membership with access to HCL *online learning portal and career counselling* for a period of 3 years.
