Entrepreneurship Awareness Camp (EAC)

Programme Objective

To create awareness among faculty and students of Engineering and Science courses about various facets of entrepreneurship as an alternative career option as also to highlight the merits of pursuing such an option.

About the Camp

Each Camp, of 3 days duration, is conducted in the JIT premises of an and aims at creating awareness among students about various facets of entrepreneurship while highlighting the merits of pursuing such a career option. In each EAC, about 75 students are exposed to different aspects of entrepreneurship, including opportunity guidance, services offered by agencies of support system etc. A visit to the industries located in the region is also arranged to bring the students in direct touch with practicing entrepreneurs.

The **Entrepreneurship awareness camp** was conducted for 3rd & 5th semester across branches. The sessions were between **28th August 2017 to 30th September 2017**. The camp was for 3 days which included 2 full day sessions and 1 day of industry visit. The details are mentioned below:
