Dr. M. G. Anantha Prasad is a Professor at JIT. He holds a bachelor's degree in Industrial Production from Bangalore University, Master's in Product Design & Manufacturing and Ph.D in Mechanical Engineering from V.T.U. He has 15 years of experience in academics and 2 years of industrial experience. He has executed sponsored projects on Entrepreneurship. Some of the innovative projects that have been executed are: Conversion of walking stick into chair, Energy park and Banana Peeling Machine under the sponsorship of state's Science and Technology Council. His areas of interests are in biofuels, advanced materials, cryogenic effect on materials and product design. Prasad has been at the forefront of many entrepreneurship development initiatives supported by DST and EDI. Anantha Prasad has several publications to his credit besides being fellow of various professional bodies and projects from DIC in the domain of rapid prototyping. Prasad is also the recipient of the Commonwealth Fellowship from UK in the year 2015 besides having worked at other institutions in various capacities.
