

WORKSHOP/TECHNICAL TALKS CONDUCTED IN CIVIL ENGINEERING DEPARTMENT

Sl. No	Topic	Date	Delivered by
01	Inculcating Interdisciplinary Mind-set in Civil engineers	5 th May 2018	Mr.Savyasachi
02	Smart Water Supply System	16 th Mar 2018	Mr.C. Jagadeesha
03	Construction practices of Steel structures & Geotechnical aspects of soil	16 th Mar 2018	Er. Kadirvelu
04	Some advances in materials and methods in concrete construction	27 th Feb 2018	Dr.Manamohan R. kalgal
05	Slag sand and GGBS – a sustainable alternate for construction	27 th Feb 2018	Dr.JagadeeshaVengala
06			
07	Construction management	5 th Sep 2017	Prayojana construction management training institute Team
08	Polymers Technology in Civil Engineering		Dr. R. L Jagadeesh
09	e-survey software	14 th Jan 2016	Mr.Raju
10	Revit Architecture	14 th Jan 2016	Mrs.Bindhu
11	Auto-cad software	15 th Jan 2016	Mr.Purushottham
12	Modern construction methodologies and project management	16 th Jan 2016	Mr. D. P. Narendra
13	Bridge designing workshop	Feb 2015	Bridge engineering workshop team
14	Technical approach towards energy conservation	April 2015	Dr.Shashishankar
